Independent Accountant's Report on Applying Agreed-Upon Procedures

Ladies and Gentlemen:

We have performed the procedures enumerated below, which were agreed to by the University and the University System Office (Oversight Unit) of the Board of Regents of the University System of Georgia, solely to assist you in assessing the accuracy of the financial information reported to the University System Office in the University's 2007 Annual Financial Report for inclusion in the State of Georgia's Comprehensive Annual Financial Report (CAFR) and Single Audit Report; and to assist you in assessing the accuracy of the budget basis information provided in the Budget Comparison and Surplus Analysis Report, which is attached as Exhibit A. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

1. Review selected balance sheet items reported on the Annual Financial Report (cash, accounts receivable, accounts payable, deferred revenues, net assets). Confirm that these items have adequate supporting documentation and are properly reconciled to the University's general ledger.

   We did not note any exceptions as a result of our procedures.

2. Obtain the University's GAAP basis Statement of Net Assets and Statement of Revenues, Expenses and Changes in Net Assets (SRECNA) submitted for inclusion in the State's CAFR and Single Audit. Utilizing test scripts, confirm that financial information presented in these statements properly supports activity reported in the University's accounting records.

   We did not note any exceptions as a result of our procedures.

We did not note any exceptions as a result of our procedures.

4. Obtain the University's Notes to the Financial Statements submitted for inclusion in the State's CAFR and Single Audit. Utilizing notes worksheets and other supporting documentation confirm that note disclosures related to Cash, Investments, Accounts Receivable, Capital Assets, Long-Term Debt, Lease Obligations and Retirement Plans have been properly reported.

The Significant Commitments note disclosure information was not properly reported. The University's Annual Financial Report disclosed Significant Commitments of $6,299,200; however, supporting documentation for Significant Commitments totaled $5,437,039.

5. Review the University's year end GAAP basis journal entries. Obtain documentation for GAAP journal entries and confirm that the entries were posted to the University's Annual Financial Report.

We did not note any exceptions as a result of our procedures.

6. Confirm that State Appropriation revenues, receivables and remittances of prior year surplus balances have been properly recorded in the University's financial records. Prior year surplus balances should be netted against State Appropriation revenues in the GAAP basis financial statements; however, prior year surplus balances should be reflected as fund balance adjustments on the Budget basis financial statements.

We did not note any exceptions as a result of our procedures.

7. Obtain listing of write-off requests for accounts receivable less than $3,000.00 for fiscal year 2007. Confirm that these write-off requests have been approved by the State Accounting Officer and have been posted to the University's financial statements.

We did not note any exceptions as a result of our procedures.

8. Verify that the listing of salaries, travel, and per diem and fees reported to the Department of Audits is in accordance with O.C.G.A. 50-6-27 reconciles to amounts recorded in the University's financial statements.

We did not note any exceptions as a result of our procedures.

   **We did not note any exceptions as a result of our procedures.**

10. Obtain documentation for Budget basis reserves reported by University on the *Budget Comparison and Surplus Analysis Report* (Exhibit A). Confirm that the reserves are properly documented, valid and appropriate.

   **We did not note any exceptions as a result of our procedures.**

   **We did not note any exceptions as a result of our procedures.**

These agreed-upon procedures do not constitute an audit of the financial statements or any part thereof, the objective of which is to express an opinion on the financial statements or a part thereof. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.
