You must wait 24 hours after you have received your UNG Nighthawks Card, you will need to do two steps to activate your card:

1. Call 1-800-822-4283 on the back of your card and follow the prompts to active the card. You will need to provide the 16 digit Discover Number on the front of your card. This is not the UNG Card #. It will ask for your date of birth. You will also need to set up your 4 digit pin number that will be used for debit purchases and cash withdrawal.

2. After activating your card, you will then need to log in to www.moneynetworkedu.com and create a username and password using your Discover number and date of birth.

3. Then you will need to look under My Accounts, select My School Funds. This is where you can either choose to have it on your Nighthawks Card or ACH to a checking account. Follow the prompts and be sure to submit at the end. You will receive a confirmation email once your selection has been made.
