University of North Georgia
Application for Out-of-State Tuition Waiver
Economic Advantage for US Citizens or US Legal Permanent Residents

As of the first day of classes for the term, an economic advantage waiver may be granted to a US citizen or US legal permanent resident who is a dependent or independent student and can provide clear evidence that the student or the student's parent, spouse, or U.S. court-appointed legal guardian has relocated to the State of Georgia to accept full-time, self-sustaining employment and has established domicile in the State of Georgia. Relocation to the state must be for reasons other than enrolling in an institution of higher education. For US citizens or US legal permanent residents, this waiver will expire 12 months from the date the waiver was granted. An affected student must apply for residency status after 12 months and must provide additional documentation according to established procedures at University of North Georgia. The Application for Georgia Residency Classification for tuition purposes is available on the Office of the Registrar’s website.

Please attach copies of the following documents.

- A statement on company letterhead verifying the student, the student’s parent/guardian or spouse’s name and address, full time employment, date employment offered and start date.
- Copy of the most recent paystub for the student, the student’s parent/guardian or spouse.
- Copy of lease agreement or warranty deed showing residence in the state of Georgia.
- Copy of parent/guardian’s current Federal Income Tax Return showing student as a dependent.
- Copy of marriage certificate, if spouse was the person relocated to Georgia for full-time employment.
- Copy of Permanent Legal Resident card (for US Legal Permanent Residents).
- Proof of U.S. lawful presence (refer to http://ung.edu/undergraduate-admissions/verification-of-lawful-presence.php for documents that can be provided).

NOTE: If a decision has not been reached prior to the fee payment deadline, the student may be required to pay out-of-state tuition to prevent the cancellation of classes. A refund of this portion of tuition will be issued if determined eligible to receive this waiver.
