

Music Building- GVL campus tour

Hi guys, it's Nathalia Ingles and today we will be taking a look at the Music Building.

The music Building Houses the faculty and staff offices for the music department as well as the classroom for the music degrees and programs.

A cool thing about the music Building is that they have individual soundproof rooms where you can go practice the instrument of your choice, and you won't be bothered by anybody else, as well as you won't bother anyone else.

There are a lot of scholarships available for the music department; we offer Bachelor's Degrees, Associates Degrees as well as a Minor in Music. So i hope you guys like the Music Building and have a Great Day.
