

HEALTHCARE EXPERIENCE STUDY ABROAD COURSE APPLICATION 2018-19

If you are selected for one of these programs, you will need to register for BIOL 4726, Cultural Immersion – A Healthcare Experience, and fulfill all of the requirements for this course. These requirements include a journal, a paper about your experience and an evaluation by your intern supervisor. The cost of the Dominican Republic (DR) course is approximately \$1,514 plus tuition, entrance tax (\$10) and cost of scrubs. The cost of the Uganda trip is \$3,999 plus tuition, and the cost of the Bolivia trip is \$2,278 plus tuition. The first payment (\$1000) for the trips is due on December 1, 2018.

Minimum qualifications:

- Must have completed at least 24 hours of biology coursework by the end of spring 2019 semester (*Note: should you be selected and subsequently fail a course during the current semester, you will lose your spot on the trip*)
- Must have an institutional (UNG) GPA of 3.0 or greater
- Must be a biology major

APPLICATIONS ARE DUE ELECTRONICALLY TO DR. SEGURA-TOTTEN (mstotten@ung.edu) BY 3:00PM ON MONDAY OCTOBER 22, 2018. LATE OR INCOMPLETE APPLICATIONS WILL NOT BE CONSIDERED.

ATTACH A CURRENT CV OR RESUME TO THIS APPLICATION

Please type or print neatly in ink.

Name _____

Major & Year in school _____

Institutional GPA (can get from your transcripts; does not include coursework from other universities) _____

Anticipated graduation semester _____

UNG email address _____

Phone number _____

Address _____

Career goals _____

Which trip do you prefer? Dominican Republic Bolivia Uganda

Would you accept a spot on the other trip should that be the only available option? Yes No

Foreign language taken in college _____

While foreign language skills are not required for acceptance to one of these programs, please rate your language proficiency on the following scale. Circle the number corresponding to your proficiency.

1 = minimal skill (1 semester or fewer of language coursework)

2 = moderate proficiency (2 semesters of language coursework)

3 = advanced skills (3 or more semesters of language coursework)

4 = fluent (native speaker or degree in language)

Complete the table below for the **biology majors'** courses you have taken. Do not include other coursework, unless you have used it as biology elective hours (e.g. – biochemistry or neuroscience).

COURSE NUMBER	COURSE TITLE	SEMESTER TAKEN	CREDIT HOURS	GRADE
