UNG 2FA

UNG 2FA is a new login process that adds an additional layer of protection when accessing UNG systems. This two-factor authentication (2FA) technology integrates a second device, like your cell phone, into the login process, resulting in two types of authentication to verify your identity. This will make it more difficult for an unauthorized person to access your personal information online. UNG 2FA is powered by Duo Security.

Family Educational Rights and Privacy Act (FERPA)
FERPA is a Federal law to protect privacy of educational records and to guide the use and release of those records. FERPA rights begin for all students, regardless of age, at the time of enrollment. These educational records personally identify a student and are maintained by the institution. For questions or concerns regarding FERPA, please contact Steven Stubbs at (706) 864-1798 or steven.stubbs@ung.edu.

What Information Can Be Shared
1. UNG directory information, which can be released unless a non-disclosure form is filed, can be found in the UNG catalog under Accreditation and Compliance. Students may file a form with the Registrar's Office prohibiting the disclosure of directory information. It is coded in Banner and the form is filed in the Registrar's Office.
2. Students may elect to share non-directory information (i.e. to parents) by signing a release form. Always refer to Banner Web or the Registrar's Office to determine with whom information may be shared before discussing student's information.

Please Remember
1. Post grades only in a way that your individual student and you can identify.
2. Post grades online through university-supported, secure software such that only an individual student can view her/his grades.
3. When contacting more than one student at a time via email, please be sure to use the "Bcc:" (blind carbon copy) tool in your email program for all student email addresses and send the message "To:" yourself. This procedure will prevent the release of any student specific information to other students. Remember, you do not know who marked their records as confidential with a non-disclosure form.
4. Always err on the side of security and caution.
   Non-compliance with FERPA puts all federal funding, including access to student aid, at risk for the University and could result in time-consuming and costly legal action.
Class Records, Grades, & Banner

The Banner System allows faculty members to access both their class records and student information. This system contains information regarding final grades and student transcripts.

Banner (Records System for Courses and Faculty Information)

Navigate to the UNG home page at [www.ung.edu](http://www.ung.edu).

1. Click on the myUNG tab in the top right corner.
2. At the top of the myUNG page, scroll over the Banner pull-down menu, and click [https://ungssb.ung.edu](https://ungssb.ung.edu) on UNG Banner Web.
3. On the Banner Web page, click on the link following “All UNG students, faculty and staff” —
4. Enter your Username and Password and click Login. The Two-factor authentication (2FA) will be part of the login process.
5. When you successfully login, the Main Menu appears with the entries for Personal Information and Faculty Services.

Instruction for Class Rosters and Lists

Class rosters contain information regarding the current status of students enrolled in your courses, including their class schedules, contact information, etc.

1. Log into your Banner Web.
2. Click on the Faculty Service tab.
3. Click on Instructions.
4. Click on Class Roster.

Electronic Roll Verification (Attendance)

Instructors must ensure that the rosters for their courses are correct. Missing students who have not attended class after the drop/add period must be reported each term no later than the announced deadline. Once roll verification is complete, you may want to print a copy of the roll verification for you and/or your department’s records. The Registrar’s Office will generate a list of changes and update your rosters based on the data submitted. Students who fail to attend class (according to the UNG Attendance policy) may be withdrawn from the course at the instructor’s request by completing the instructor-initiated class withdrawal form.
Office Hours

Information about office hours is located in the Academic Affairs handbook, Section 3.5.1. Academic Year. Full-time faculty whose teaching load consists of traditional course offerings are expected to post and maintain a minimum of six office hours per week. Faculty members will arrange office hours convenient to the needs of their students.

To learn more about office hours and summer sessions, please visit: http://ung.edu/academic-affairs/faculty-handbook/3-faculty-responsibilities/3.5-office-hours/index.php.

Faculty and Advisors

Information regarding your current and previous courses is available online. Your personal class schedule is available, as well as detailed information regarding each of the students in your courses.

Personal

The Personal Information menu allows users to maintain current data in the system. Please subscribe to the Emergency Alert System (Blackboard Connect Emergency Notification System), which will contact you via phone or email about vital information on campus closing and emergency situations.
