### What is CAMP?

The College Assistance Migrant Program is a unique educational program at the University of North Georgia. This federally funded program aims to help students from migrant and seasonal farm worker backgrounds to succeed in college. It provides financial assistance, support services, and enrichment opportunities to students during their first year at the University. CAMP offers students pre-college transition and first-year support services to help develop the skills needed to stay in school and successfully graduate from college.

### CAMP Services

CAMP offers financial assistance and individualized help to qualified students. Support services include:

- Use of a laptop for the first year.
- Dedicated admissions assistance.
- Continuous responsive advising and assistance in future financial aid.
- Academic, career, financial and personal coaching.
- Peer mentoring.
- Learning community and Supplemental Instruction support.
- Participation in workshops for developing success and leadership skills
- Cultural activities participation throughout the academic year.
- Other services as needed to help ensure college success, including but not limited to: industry tours, lectures, shadowing, internship, opportunities, and job placement.
