

# CORE CURRICULUM PROGRAMS

## A GUIDE TO STUDY ABROAD

Students are encouraged to start planning their study abroad experience early. This guide is designed to introduce you to study abroad programs that offer Core Curriculum courses. A full list of programs is available on the CGE website: <http://bit.ly/FeaturedProgramsPage>.

### CORE CURRICULUM REQUIREMENTS

- UNG students are required to complete 60 credits of general education requirements (Core Curriculum). The Core Curriculum allows students to select courses from six areas: Communication and Quantitative Skills; Institutional Options; Humanities, Fine Arts, and Ethics; Natural Sciences, Mathematics, and Technology; Social Science; and Area of Concentration.
- For the full list of courses that fall within the six areas, please visit UNG's Core Curriculum page.

### STUDY ABROAD CAN HELP YOU

- Apply concepts learned in class by making connections to the greater world.
- Strengthen your understanding of yourself and challenge your perceptions of the world.
- Enhance employment opportunities by providing real-life experience and adaptability.
- Increase your skills and knowledge while earning academic credit.

### FINANCIAL SUPPORT

- Use federal, state and other financial aid. i.e. Pell, Hope/Zell
- Institutional and national study abroad scholarships available
- CGE/NCS provide assistance in researching and applying for funding sources

Education Abroad Advisors are professional staff members that can assist you with the complex topics regarding study abroad. You can schedule a meeting online.
- 3: Speak with a Professional/Faculty Advisor**  
Discuss how the program fits into your academic plan. You can find your academic advisor on the Tranguid in Banner.
- 4: Research Funding**  
Funding opportunities can be found through the following:
  - Financial Aid Office
  - Nationally Competitive Scholarship Office
  - Center for Global Engagement's Webpage
- 5: Apply!**
- 6: Pack your bags!**

"I really enjoyed my study abroad program in Ireland since the courses had corresponding field trips that enriched my learning. Since I was taking Intro to Sociology in Ireland, we had the opportunity to visit the Irish Parliament in Dublin. We actually got to see the Parliament debate in person, and it was one of the factors that helped me pick my Political Science major."
