HOW DO I GET STARTED?

1: Plan Early! Investigate Programs

This brochure is a starting point. Check the CGE website for more programs and information.

2: Speak with an Education Abroad Advisor

Education Abroad Advisors are professional staff members that can assist you with the study abroad process. You can schedule a meeting online.

3: Speak with a Professional/Faculty Advisor

Discuss how the program fits into your academic plan. You can find your academic advisor on the [Tranguid in Banner](#).

4: Research Funding

Funding opportunities can be found through the following:

- Financial Aid Office
- Nationally Competitive Scholarship Office
- Center for Global Engagement's Webpage

5: Apply!

6: Pack your bags!

"I'm Natalie and I studied in Scotland. I took a Special Topics Psychology Class and we learned about cross cultural issues in psychology, and did a research project that involved interviewing with native Scottish people! It was an amazing experience getting class credit while exploring and learning in a different country."
