5: Apply!

6: Pack your bags!

"My program was definitely a high point in my college experience. My time at the Marshall Center was filled with quality courses, networking with people in the Security Studies sector from around the world, and exploring Garmisch-Partenkirchen and the rest of Germany. The value of

the opportunities for education, networking, career experience, and international travel provided by the Strategic and Security Studies internships and study abroad cannot be over exaggerated."
