

NURSING MAJOR

A GUIDE TO STUDY ABROAD

Nursing majors have the opportunity to complete a health care experience as part of their degree program. This guide is designed to introduce you to the international programs available to your major. A full list of study abroad programs is available on the CGE website: <http://bit.ly/FeaturedProgramsPage>.

MAJOR SPECIFIC REQUIREMENTS

- While Nursing majors are not required to study abroad, it is highly encouraged.

STUDY ABROAD CAN HELP YOU

- Learn the components of a cultural assessment.
- Enhance understanding of international health issues/challenges of the identified population.
- Increase your skills and knowledge while earning academic credit.

FINANCIAL SUPPORT

- Use federal, state, and other financial aid. i.e. Pell, Hope/Zell
- Institutional and national study abroad scholarships available
- CGE/NCS provide assistance in researching and applying for funding sources

HOW DO I GET STARTED?

1: Plan Early! Investigate Programs

This brochure is a starting point. Check the [CGE website](#) for more programs and information.

2: Speak with an Education Abroad Advisor

Education Abroad Advisors are professional staff members that can assist you with the study abroad process. You can schedule a [meeting online](#).

3: Speak with a Professional/Faculty Advisor

Discuss how the program fits into your academic plan. You can find your academic advisor on the [Tranguid in Banner](#).

4: Research Funding

Funding opportunities can be found through the following:

- Financial Aid Office
- Nationally Competitive Scholarships Office
- Center for Global Engagement's Webpage

5: Apply!

6: Pack your bags!

"I would definitely recommend this program to any Nursing or Pre-med student that is interested. For nursing, it is a great environment to practice everything you have learned. You also get to practice being culturally aware with your patients. The experience that I had is invaluable!!"
