STRATEGIC AND SECURITY STUDIES MAJOR: CYBERSECURITY PROGRAMS

A GUIDE TO STUDY ABROAD

Strategic & Security Studies majors are required to complete a study abroad or international internship as part of their degree program. This guide is designed to introduce you to the opportunities that studying abroad brings to your major. International internships and a full list of study abroad programs are available on the CGE website: http://bit.ly/FeaturedProgramsPage.

MAJOR SPECIFIC REQUIREMENTS

🌐 Earn 6 credits in 3/4XXX level courses in any of the following subject areas (not limited by area of concentration): non-English language, Criminal Justice, Computer Science, Cyber Security, History, International Studies, Military Science, or Political Science.

🌐 This program guide includes study abroad programs in the specified subject areas. For alternative options, review additional Strategic & Security Studies study abroad guides.

STUDY ABROAD CAN HELP YOU

🌐 Apply concepts learned in class by making connections to the greater world.

🌐 Strengthen your understanding of yourself and challenge your perceptions of the world.

🌐 Enhance employment opportunities by providing real-life experience and adaptability.

🌐 Increase your skills and knowledge while earning academic credit.

FINANCIAL SUPPORT

🌐 Use federal, state, and other financial aid. i.e. Pell, Hope/Zell

🌐 Institutional and national study abroad scholarships available

🌐 CGE/NCS provide assistance in researching and applying for funding sources

HOW DO I GET STARTED?

1: Plan Early! Investigate Programs
This brochure is a starting point. Check the CGE website for more programs and information.

2: Speak with an Education Abroad Advisor
Education Abroad Advisors are professional staff members that can assist you with the study abroad process. You can schedule a meeting online.

3: Speak with a Professional/Faculty Advisor
Discuss how the program fits into your academic plan. You can find your academic advisor on the Tranguid in Banner.

4: Research Funding
Funding opportunities can be found through the following:
- Financial Aid Office
- Nationally Competitive Scholarship Office
- Center for Global Engagement's Webpage

5: Apply!

6: Pack your bags!

"My program was definitely a high point in my college experience. My time at the Marshall Center was filled with quality courses, networking with people in the Security Studies sector from around the world, and exploring Garmisch-Partenkirchen and the rest of Germany. The value of the opportunities for education, networking, career experience, and international travel provided by the Strategic and Security Studies internships and study abroad cannot be over exaggerated."
