

Extended Instructions for Accessing UNG's Elements of High-Impact Practices Course on D2L

Welcome to the UNG Elements of High-Impact Practices & Coding Certification course designed for faculty and administrators! This course aims to enhance your understanding and implementation of effective teaching strategies that foster student engagement and success. We look forward to your participation in the Elements of High Impact Practices course and your contributions to fostering an engaging learning environment for our students!

Step-by-Step Access Instructions: To access the course through D2L, follow the steps below:

1. Log in to D2L:

- Navigate to the university's D2L portal and enter your university credentials (username and password) and click on "Log In."

2. Access the Explore Option:

- Once logged in, locate the "Explore" option in the main navigation menu. This is typically found on the right sidebar.

3. Find the UNG's Elements of High Impact Practices Course:

- In the Explore section, you will see a list of available courses and resources.
- Scroll through the options or use the search bar to find " UNG's Elements of High Impact Practices Course."

4. Enroll in the Course:

- Click on "Enroll in Course" to enroll and "Open Course" to open the course overview.
- Review the course details, including the "Getting Started" folder for introduction and goals, objectives, and outcomes.

5. Begin the Course:

- Click on the course title to start exploring the materials and modules available.

6. Engage with Course Content:

- The course is structured into various modules focusing on different aspects of high-impact practices. Take your time to review readings, videos, and assignments.

7. Participation and Feedback:

- Engage in materials and activities as prompted within the course. Provide feedback on the course experience to help us improve future offerings.
