POLICY STATEMENT
EQUAL OPPORTUNITY AND AFFIRMATIVE ACTION

The University of North Georgia is committed to affirmative implementation of equal opportunity in education and employment. To that end, the University of North Georgia does not discriminate against individuals on the basis of race, religion, color, gender, national origin, disability, age, or veteran status in the administration of its admissions policies, educational policies, employment policies, or any university governed program or activity. We also apply this principle to the issue of sexual orientation. The University of North Georgia remains committed to seeking the best-qualified person to fill each available position and will reward each employee based on his or her job performance.

Every member of this university community is expected to uphold this policy as a matter of mutual respect and fundamental fairness. As an Associate Vice President, I commit this institution to fulfill both the spirit and the law of Equal Employment Opportunity and Affirmative Action.

Questions regarding this policy statement should be directed to the Office of Human Resources at 706-864-1440.
