CHANGE BENEFICIARY REVOKING ALL PRIOR DESIGNATIONS

The primary and contingent beneficiary(ies) determines the order in which beneficiaries become eligible to receive death proceeds. Surviving beneficiaries in any category share equally with beneficiaries in the same category unless otherwise specified. Use of the word "Children", without modification, includes only your biological children of first generation and adopted children. For revocable designations, this signed beneficiary designation, when accepted by Minnesota Life, is the only form needed to elect or change a designation under this policy. No other documents are required.

Name your primary and contingent beneficiaries. To receive death proceeds, a beneficiary must survive the insured. In the event a beneficiary does not survive the insured, that beneficiary's portion shall be equally distributed to the remaining beneficiaries. In the event of simultaneous death of the insured and a beneficiary, the death proceeds will be paid as if the insured survived the beneficiary.

The same person cannot be named as a primary and a contingent beneficiary.
