Located in the beautiful foothills of the Blue Ridge Mountains, site of the first major gold rush in the U.S., and home to the mountain phase of the U.S. Army Ranger School, UNG is one of only six senior military colleges in the country. We offer extensive education in leadership, security and strategic studies, international affairs, computer science, and strategic languages. We’re a NSA/DHS Center of Academic Excellence for Cyber Defense Education and a National Geospatial-Intelligence Agency (NGA) and U.S. Geological Survey Center of Academic Excellence in Geospatial Sciences. We’re developing leaders for the Total Army, national security-related government agencies, and international corporations.
