

University of North Georgia F-1 Student Financial Affidavit

Family/Last Name:

First/Given Name:

Date of Birth:

This form is required of all F-1 international applicants. It is the applicant's responsibility to demonstrate that sufficient funding is available to meet all University and living expenses for his/her entire course of study/program. The University of North Georgia is required by United States government regulations to verify that international students have adequate funding to cover all costs. Therefore, UNG issues an I-20 only after this form is completed and returned with the necessary support documents. You will need this same proof to apply for your F-1 visa at the U.S. Consulate and should therefore keep a copy of this form and all supporting documents.

The current estimate of expenses for an international F-1 student at the University of North Georgia for one academic year varies by program. Please identify the level for which you've been accepted, and submit the appropriate supporting documentation. All F-1 students accompanied by dependents (spouses and children under the age of 21) must have an additional \$4,000 per year of support for the first dependent and \$2,000 per year for each additional dependent. This is an estimate and subject to change without notice.

\$36,000 USD for Associate Degree study

\$43,000 USD for Bachelor Degree study

\$44,000* USD for Graduate Degree study
