

## J-1 Student Intern: Student Supplement

This form is a supplement to the “Application for Visa Certificate I-20 and DS-2019” and must be completed by the J-1 Student Intern. Please complete and return.

### **Student Status Verification Letter**

All J-1 Student Interns must attach a Student Status Verification Letter from his/her home institution. The letter must be on official letterhead and must be signed by a relevant school official. The letter must contain the following information:

- Intern’s full name
- Institution name and address
- Intern’s current degree program and major
- Intern’s expected graduation date (month and year)
- Statement that the intern is in good academic standing

### **Student Acknowledgement of Regulations**

To be eligible to participate as a J Student Intern, a participant must meet the following additional conditions:

1. The U.S. internship must fulfill the educational objectives for the intern’s current degree program at his or her home institution.
2. The student must return to his or her academic program outside the United States and fulfill and obtain a degree from such academic institution after completion of the student internship program.
3. Complete all required evaluations and internship components as assigned by the Center for Global Engagement and the College of Education.

By signing below, you agree that you do or will meet the above conditions and acknowledge these statements as requirements set forth by U.S. immigration regulations.
