3102. Program Overview.

The University of North Georgia (UNG) Military Scholarship Program is a merit-based and competitive student financial aid program that provides funding covering the full cost of education for four years at UNG. Recipients must be pursuing a Baccalaureate Degree and incur an obligation to serve as a commissioned officer in the Army National Guard after graduation. The Georgia General Assembly finds that UNG is widely recognized as one of only six senior military colleges in the nation. This program enables outstanding Georgia students to attend UNG and then serve their state and country as officers in the Army National Guard. Applicants must demonstrate academic achievement in high school and be nominated for the scholarship by a member of the Georgia General Assembly. A limited number of recipients are chosen each year by a committee from a pool of qualified applicants.

The UNG Military Scholarship Program was created beginning with the 1981-1982 Award Year (State Fiscal Year 1982) and is funded by state revenues, as authorized each year by the Georgia General Assembly. The Georgia Student Finance Authority (GSFA) administers the program, in accordance with the Official Code of Georgia Annotated (O.C.G.A.) §20-3-420, et seq.

3104. General Eligibility Requirements.

3104.1. Citizenship.

1. A student must be a United States Citizen, born or naturalized, or an Eligible Non-Citizen according to the Federal Title IV Regulations, as of the first day of classes of the school term for which Military Scholarship payment is sought.

No Out-of-State Tuition Waiver, other than for Military Personnel and their dependents, qualifies students for Military Scholarship eligibility.
2. A student, who was correctly determined to meet the Georgia Residency requirements and began receiving Military Scholarship payment, will continue to meet the Georgia Residency requirements for purposes of Military Scholarship eligibility, unless he or she has a break in Enrollment of two or more consecutive semesters or quarters and resides outside of Georgia for 12 or more consecutive months.
 - a. If such student later returns to Georgia, he or she must re-establish Georgia Residency for 12 consecutive months (refer to *Section 3104.2.1.*) before regaining Military Scholarship eligibility.
3. A student who has a break in Enrollment of two or more consecutive semesters or quarters, and who resides outside Georgia for less than 12 consecutive months, and then later returns to Georgia and Enrolls in UNG within 12 consecutive months from his or her most recent date of Enrollment at UNG, will continue to meet the Georgia Residency requirements for purposes of Military Scholarship eligibility.

 - b. The appeal should consider attempted hours toward the program in which the student is enrolled, satisfactory qualitative (grade-based) standards, and the student's satisfactory pace in pursuit of completing the program with and without the dual enrollment credits. Eligible Postsecondary Institutions have sole discretion and responsibility for evaluation and approval of any such appeals.

A student must meet the requirements of this section at the time funds are disbursed by GSFA on behalf of the student.

 - b. Complete an acceptable rehabilitation plan by making voluntary on time payments over a specified period agreed upon with GSFA.
 5. If such student has repaid the defaulted loan or refund due in full, or resolved the default status, then he or she may be eligible to receive state scholarship, grant or loan funds beginning with the school term in which repayment was made in full but not retroactively for previous school terms.

3104.7. Georgia Drug-Free Act.

3109.2. Award Amount Reductions.

1. A student's Military Scholarship award amount shall not be reduced or withheld because of aid the student may be receiving from Federal Title IV Programs or private sources, even if the student's total aid exceeds the student's Cost of Attendance.
 - a. A student is ineligible to receive Military Scholarship payment for a school term in which he or she is receiving any other financial aid authorized by the laws of the State of Georgia, including, but not limited to, the UNG ROTC Grant Program and the UNG ROTC Grant for Future Officers Program.

(The remainder of this page is intentionally blank.)

3111. Refund Requirements.

3111.1. Calculation of Refund Amounts.

1. If the student officially withdraws, drops out, drops hours, is expelled, or otherwise fails to complete a period of Enrollment, and is entitled to a refund, a portion of such refund may need to be returned to the Military Scholarshipfund.
2. If the student received Federal Title IV Program funds, in addition to Military Scholarship funds, UNG must first apply the Federal Title IV return of funds policy for any federal aid received. To determine the refund to the Military Scholarship Program, UNG must then apply the institution's refund policy, if different from Federal Title IV return of funds policy, to the student's original Military Scholarship award.
 - a. If the student received Military Scholarship funds, but did not receive Federal Title IV Program funds, UNG must apply the institution's refund policy, if different from Federal Title IV return of funds policy, to the student's original Military Scholarship award.
3. UNG must determine the amount of the refund due back to the Military Scholarship Program. The amount of the Military Scholarship award not determined to be owed back to the Military Scholarship Program is retained by UNG to cover the institutions' cost for the portion of the school term that the student was enrolled.
4. UNG must adjust the student's invoice to the new award amount remaining after the refund is calculated within 45 calendar days of the determination.
5. If UNG has sufficient funds on hand to return to GSFA the refund owed to the Military Scholarship Program, it should return the funds within 45 calendar days of the refund determination. UNG would then collect the refund amount from the student. However, the student should not be reported with a refund due status to GSFA since the funds have been repaid to GSFA.
 - a. If UNG does not have sufficient funds on hand to return to GSFA the refund owed to the Military Scholarship Program, the student is considered to have a refund due to GSFA and UNG must report the student to GSFA with a refund due status.

3111.2. Collection of Refunds.

1. A borrower in default or who owes a refund may be subject to garnishment of their pay, loss of a professional license, offset of lottery winnings, and/or offset of a state tax refund. GSFA will notify the borrower that they are in default and GSFA intends to proceed with any of the remedies listed in this subsection. The borrower will be given 60 days from the date of the notification to make the loan current or to put in place a satisfactory payment plan.

3111.3. Emergency Military Duty.

1. A student who is a member of the Army National Guard receiving funds from the Military Scholarship Program who is called to emergency military duty during a school term that is already in progress should not have his or her Military Scholarship eligibility negatively impacted.
2. If UNG allows the student to totally withdraw and receive a grade such as “WM” for “military withdrawal” or UNG totally removes all coursework for that term (grades and corresponding credit hours) from the student’s records, UNG should cancel the student’s Military Scholarship award and return the full amount of the award to the Military Scholarship account.
3. If a student is called to active duty while serving in the United States Armed Forces while Enrolled at UNG, and otherwise maintaining eligibility for the Military Scholarship Program, GSFA will reserve, to the fullest extent permitted from such funds appropriated by the Georgia General Assembly, such student’s Military Scholarship eligibility for reinstatement upon his or her return to UNG.
 - a. Such student is expected to Enroll again at UNG no later than the second semester beginning after his or her return from active duty or to show cause why Enrollment was postponed.

(The remainder of this page is intentionally blank.)

3112.1. Term Reconciliation.

1. UNG must conduct a Term Reconciliation by the end of each term. A Term Reconciliation consists of an official acknowledgement by an authorized school official, through SURFER that the number of students submitted for payment, amount invoiced, the number of invoices paid and amount disbursed by GSFA to the Eligible Postsecondary Institution, according to SURFER, is accurate on that date.
 - a. GSFA will not issue any state scholarship or grant funds for the following term until the Term Reconciliation is complete.
 - b. Funds are not returned to GSFA as part of the Term Reconciliation process.

3112.2. Fiscal Year End Reconciliation.

1. UNG must conduct the Fiscal Year End Reconciliation consisting of an official acknowledgement by an authorized school official, through SURFER verifying, student by student, the accuracy of each invoice submitted by the Eligible Postsecondary Institution with respect to the student's Enrolled-Hours, Paid-Hours, Learning Support, and program of study information, when applicable to the program.
 - a. Reconciliation certification forms must be completed and submitted electronically, through SURFER by July 15, immediately following the completion of the Fiscal Year for each State Program.
 - b. Return to GSFA any funds not utilized according to the Fiscal Year End Reconciliation by August 15 after the beginning of the new Fiscal Year.
 - c. GSFA will not issue any state scholarship or grant funds for the Fall term until the previous Fiscal Year End Reconciliation process is complete.
 - d. The Eligible Postsecondary Institution must have a procedure in place to ensure that the state scholarship and grant funds do not go to an unintended third party (i.e., state, postsecondary institution).

(The remainder of this page is intentionally blank).

3113. Records Retention Requirements.

3113.1. Length of Retention.

1. UNG shall maintain accurate records, books, documents and other evidence concerning the Military Scholarship Program, including, but not limited to individual student files for whichever is later:

or
 - c. Such other time as requested in writing by GSFA.

3113.2. Documentation.

1. Documentation contained within an individual student file or record, which supports the original determination of a student's eligibility, must be retained by the Eligible Postsecondary Institution and available for review by GSFA on the Eligible Postsecondary Institution's campus, located within the State of Georgia, for at least three years after the most recent Award Year for which the student received Military Scholarship funds (refer to Section 3115.2.1.).
2. UNG is permitted to maintain these documents in an imaged media format. The imaged media format must be capable of reproducing an accurate, legible, and complete copy of the original document.
 - a. Such documentation may include, but is not limited to, copies of permanent resident alien cards, Georgia state income tax returns, and applications for student financial aid.
 - i. Documentation regarding a student's eligibility is not limited to files, records, and other information received and maintained by UNG's student financial aid office.
 - ii. Documentation supporting a student's eligibility that is received and maintained by UNG's admission's office, registrar's office, business office, and other administrative operations must be available to GSFA for the purpose of Program Reviews.
3. It is UNG's responsibility to resolve any inconsistencies or conflicting information within a student's records, prior to awarding or disbursing Military Scholarship funds to the student.

3113.3. Extended Retention.

UNG must retain student records involved in Program Reviews, audit, or investigation for more than the three-year retention period, described above, if the three-year retention period expires before the issue in question is resolved. UNG must continue to retain all associated records until resolution is reached.

3114. Administrative Reviews and Exceptions.

3114.1. Administrative Reviews.

1. The UNG Military Scholarship Program Regulations are applied to each student considered for Military Scholarship funds by appropriate officials of UNG and by the administrative staff of GSFA.
2. If a student believes a Military Scholarship rule or regulation was incorrectly applied in his or her case, the student has the right to file a request for an Administrative Review with GSFA.
3. In order for an Administrative Review to be considered, the student must submit a written request for an Administrative Review to GSFA's office within 45 calendar days of receiving notice of denial.
 - a. GSFA will review the case and determine whether the rule or regulation was applied correctly and notify the student and UNG of the determination.
4. If additional information is requested from the student, it must be provided within the time frame specified by GSFA. GSFA decides a case based only on documentation provided, rather than a personal presentation.

3114.2. Exceptions.

1. Requests for Exceptions to the UNG Military Scholarship Program Regulations will not be considered, reviewed, or granted under any circumstances.

(The remainder of this page is intentionally blank.)

3115. Compliance Reviews.

3115.1. Compliance Review Policy.

GSFA may conduct Compliance Reviews of the Military Scholarship Program at UNG in order to assess the Eligible Postsecondary Institution's administration of the program and compliance with the program's regulations. Compliance Reviews are conducted in accordance with GSFA's Compliance Reviews Process and Procedures document, which is available at gsfc.georgia.gov, under Information for School Compliance.

3115.2. Compliance Review Process.

1. GSFA selects a sampling of the Eligible Postsecondary Institution's recipients, for the Award Year under review, and the Eligible Postsecondary Institution's files and records for the sample are examined to assure compliance. Records which document and support a student's eligibility must be available for review at the Georgia campus of the postsecondary institution.
2. GSFA will exclude Residency determinations for UNG Military Scholarship recipients, as they relate to *Section 3104.2.a* and SAP determinations, in the selected sample if UNG has submitted a signed certification to GSFA's Compliance Department by the President of UNG that:
 - a. UNG is in compliance with its policies and procedures in the determination and the administration of the financial aid award process relative to Residency requirements and SAP; and
3. The Residency and SAP determinations have been fairly and consistently applied with respect to all students receiving the UNG Military Scholarship awards.
4. Such certification must be submitted annually to GSFA's Compliance Department in the format required by GSFA.
5. Failure to provide such certification will result in a review of Residency determinations and SAP determinations made for UNG Military Scholarship recipients in the selected sample.

3115.3. Institutional Repayment.
