Notes:
1. Pre-recital hearing should be completed four weeks prior to the scheduled performance.

2. You must complete all portions of the application and have signatures from all members of your Grading Committee in order to perform your senior recital.

3. Failure to properly register for your senior recital (MUSC 4310) by the end of add/drop will necessitate the rescheduling of your senior recital to a subsequent semester and may delay your graduation.

4. **ALL** music performed on the senior recital must be approved by the student's applied instructor. Music performed that has not been approved by the applied instructor will result in a grade of Unsatisfactory (U) and will require the student to repeat the senior recital requirement.

5. This form needs to be returned to the Music Office no later than one week following the recital hearing.

* To pass a student must have an overall score of no less than 36 and have a score of 3 in at least three subcategories of “Musicianship”
