## ***Nursing Profile***

*Twenty-two years of demonstrated multidisciplinary, professional nursing experience providing complex nursing care in breast health & oncology navigation, patient education, labor & delivery, mother/baby and pre-operative settings. Six years of teaching experience in the classroom, skills lab, simulation lab and clinical settings. Effectively utilizes principles of education and adult learning in preparing the undergraduate nursing student for the healthcare setting. Demonstrates a high level of autonomy combined with team leadership and membership. Portrays strong communication, observational, and supervisory skills.*
