

Professional Licensure or Certification Disclosure

Family Nurse Practitioner (MSN)

Upon successful completion of the Master of Science in Nursing with a concentration in Family Nurse Practitioner program, University of North Georgia graduates will have **satisfied all educational** requirements to be eligible to sit for the **Family Nurse Practitioner (FNP)** certification exam required for practice as an FNP.

Family Nurse Practitioner Certification

The [American Nurses Credentials Center](#) (ANCC) and [American Academy of Nurse Practitioners](#) (AANP) provide nurse practitioner board certification examinations. Upon successful national certification, the student (who already holds a registered nurse license in their state or a compact license) can apply for state certification as an FNP.

Out-of-State Student Information

If this UNG degree program you intend to enroll in does not meet the licensure or certification requirements in your home state (see the Professional Licensure Disclosure chart), there are two options:

- Sign the UNG attestation letter that you do not intend to return to your home state after graduation and will seek licensure/employment in a state that licensure requirements are met.
- Attend an institution in your home state.

Go to the [State Authorizations page](#) for attestation letter details.
