ARTICLE I: AUTHORITY

A. Authority from the Board of Regents

1. By virtue of the powers granted to the Board of Regents of the University System of Georgia by the Georgia Constitution, the Board of Regents has the authority to adopt

bylaws and policies for the management and governance of this member institutions. The Board of Regents further elects a Chancellor of the System, under whose supervision the presidents of the various institutions are given responsibility and authority to promote the efficient operation of the same. Parking Services is a delegated authority and is responsible for the administration of policies and parking regulations designed to promote a safe and efficient parking system.

B. Authority from the University of North Georgia

1. Parking Services, a division of Auxiliary Services, establishes and follows these parking rules and regulations on all property owned or controlled by the University of North Georgia.
2. The University's parking plan calls for firm, consistent, and assertive enforcement of parking regulations. Fines, immobilization, and towing are authorized as disincentives to ensure that parking regulations are followed.
3. Parking Services implements the University's parking plan and manages vehicle registration, permit issuance, lot enforcement, fine collection, ticket appeal, immobilization and towing for various unsafe and illegal parking practices, and lot scheduling for special events.
4. It is the desire and intent of the University to provide an adequate amount of parking corresponding with the needs of the faculty, staff, and student body limited by constraints of land and finances.

ARTICLE II: GENERAL REGULATIONS AND ENFORCEMENT

A. Driver Responsibility

1. All persons registering and/or operating motor vehicles on any UNG campus are responsible to know, understand, and comply with the UNG Parking Rules and Regulations.
2. All students, faculty, staff, visitors, and vendors must have a valid parking permit to park on any UNG campus.
3. The responsibility of finding a legal parking space rests with the vehicle operator.
4. UNG has primarily pedestrian campuses. Vehicle operators share responsibility for their safety.

B. Regulations

1. The speed limit on all campuses is fifteen (15) MPH. Speed limit inside parking decks is five (5) MPH. Parking on campus is extremely limited and is controlled using parking permits. Each registered vehicle must be parked in the appropriate parking space.
2. UNG does not guarantee parking spaces will be available near a particular residence hall nor near academic buildings. If you have difficulty finding a parking space, please call Parking Services during normal enforcement hours.
3. **University of North Georgia assumes no responsibility for vehicles and/or contents while parked on and/or operated on university grounds.**

C. Abandoned and Inoperable Vehicles:

1. Any vehicle left on campus for more than thirty (30) days without being moved will be considered abandoned and may be towed at the owner's expense.

2. Exceptions will be made by Parking Services if requested by the vehicle owner individually. On the thirty-first day it shall be subject to immediate towing. Towing and storage expenses are the responsibility of the vehicle owner or operator.

D. Enforcement

1. Parking on campus is monitored through a virtual permit system that scans your license plate. Your license plate is your parking permit and must be registered via the [Parking Services Web Portal](#).
2. Parking Attendants will issue UNG parking E-citations (tickets) for all registered vehicles. Unregistered vehicles will receive a physical parking citation on the front window for any parking violations.
3. Vehicles must be parked so that a valid license plate or temporary registration is clearly visible from the drive lane.
4. Enforcement Hours: Monday–Thursday 7:00am–5:30pm and Friday 7:00am–3:00pm.
5. **Driving through a restricted roadway (Drill Field), designated for pedestrians, service vehicles, and ADA vehicles ONLY. This area is under surveillance 24/7. All violators will be fined \$25.**

E. Virtual License Plate Permits

1. Your state-issued license plate serves as your virtual parking permit. All vehicles are required to register their vehicles.
2. Your license plate on the back of your vehicle must be visible from the driving lane so that our scanning technology can effectively scan your plate. Failure to do so may result in a parking citation.
3. If you prefer to back into a straight parking space on campus, you may purchase a front-facing “NHWK” license plate at one of the following parking offices, Dahlenega, Gainesville, and Oconee campus.
4. For those with a new vehicle with a temporary paper license plate, please enter those numbers in the system in place of the license plate number when registering your vehicle online. Once your DMV-issued license plate arrives, you must immediately update your information online.
5. If you have already registered for your permit and are changing vehicles, you must register the new vehicle online via the [Parking Services Web Portal](#).
6. For those with a current permit driving a loaner vehicle or a rental car please go to your parking account online and add this vehicle temporarily.
7. A parking permit can have multiple vehicles on the permit to allow for flexibility when determining which vehicle is driven to campus, however multiple vehicles cannot park on campus under the same permit, at the same time.
8. All UNG permits are universal and will work on any UNG campus.
9. **NO PERMIT IS REQUIRED DURING THE SUMMER
FROM MAY 15th – JULY 31st.**

ARTICLE III: ANNUAL VEHICLE REGISTRATION AND PERMITS

Parking permits are issued annually by UNG Parking Services. Registration opens each year on or about August 1st. and all prior permits will expire on July 31st each year. To obtain your

annual permit, you must register your vehicle on the [Parking Services Web Portal](#) using your UNG username and password. <https://ung.aimsparking.com/login.php>.
