ANNUAL SECURITY REPORT

INTRODUCTION

The University of North Georgia (UNG) is committed to a safe learning and working environment for all University Community members. The University Community includes students, faculty, staff, as well as contractors, vendors, visitors, and guests. The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act) requires institutions of higher education to provide a plain language summary of their campus security policies and crime statistics in an Annual Security Report (ASR). Those summaries and additional information are provided below.

CRIME & EMERGENCY REPORTING

Crimes should be reported as soon as possible to the Department of Public Safety via telephone at **706-864-1500**, via the **LiveSafe app**, or our **See Something/Say Something** online reporting tool. In an emergency, dial 911 and follow up with the Department of Public Safety when it is safe to do so. Crimes may also be reported in person at each of the following campus locations:

Blue Ridge Campus

56 Nighthawk Drive, Room 119A

Cumming Campus

300 Aquatic Circle, Room 240

Dahlonega Campus

269 Morrison Moore Parkway West

Gainesville Campus:

2640 Facilities Drive

Oconee Campus:

1201 Bishops Farms Parkway North

Additionally, crimes may be reported to the Dean of Students, Title IX Coordinator, Residence Life officials, Human Resources officials, Commandant of Cadets, or Director of Athletics.

UNG encourages the prompt reporting of crimes or other emergencies to the Department of Public Safety and/or appropriate police agencies, when the victim of a crime elects to or is unable to make such a report.

UNG does not currently have a policy regarding voluntary, confidential reporting of crimes by complainants or witnesses for inclusion in crime statistics, nor does UNG currently have a policy or procedures that encourage pastoral and professional counselors, at their professional discretion, to inform the persons they are counseling of any such procedures to report crimes on a voluntary, confidential basis for inclusion in crime statistics.

ANNUAL DISCLOSURE OF CRIME STATISTICS

The University Clery Officer, within the Office of General Counsel, is responsible for collecting crime reports from Campus Security Authorities (CSAs), as defined below, for the purposes of compiling annual crime statistics. CSAs are individuals who, because of their responsibilities at UNG, have an obligation to share information with the University about alleged Clery crimes that are either reported to them and/or personally witnessed by them. At UNG some common examples of CSAs include, but are not limited to, the Department of Public Safety, Resident Assistants and Residence Life personnel, Deans of Students personnel, coaches, and Title IX personnel. Crimes reported to a pastoral or professional counselor are excluded from the Clery Act reporting.

A centralized database is used to import data from electronic databases used by The Department of Public Safety, Student Affairs (including Residence Life, Fraternity and

Sorority Life, and Corps of Cadets), Athletics, Title IX and Human Resources and to inform the tabulation and reporting of Clery Act crimes. CSAs also submit information through an online form. The Clery Officer also gathers reports from local law enforcement agencies for inclusion in the central database.

The Clery Officer leads the Clery Act Classification Review Work Group in determining the classification and counting of crime statistics. The work group includes representatives from the Department of Public Safety, Title IX, Deans of Students, and the Office of General Counsel. The work group meets monthly, in addition to ongoing individual collaborative communications.

TIMELY WARNINGS (CRIME ALERTS)

UNG issues Timely Warnings to alert the campus community of Clery crimes occurring on campus or in other Clery Geography considered by the University to represent an ongoing threat to students and/or employees. Timely Warnings are issued, as soon as the pertinent information is available.

The Department of Public Safety evaluates reports made to them and from other CSAs and local law enforcement to determine if a warning must be disseminated. Timely Warnings are issued by the Department of Public Safety with determination made by department personnel that receive the report of the incident.

Timely Warnings are issued via the LiveSafe app, University email, phone calls, text messages and/or electronic warnings pushed to University computers. Timely Warnings will not include the names and other identifying information of complainants.

EMERGENCY NOTIFICATIONS (UNG ALERT)

UNG issues Emergency Notifications to all campus communities, which may be specific to individual campuses, of conditions considered by the University to represent an immediate threat to students and/or employees. The Department of Public Safety will confirm any significant emergency or dangerous situation, will determine the segment or segments of each campus community to receive a notification, and determine the content of the notification. Emergency Notifications are issued by the Department of Public Safety central dispatch via the LiveSafe app, University email, phone calls, text messages, and/or electronic warnings pushed to University computers.

The University will, without delay, and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the professional judgment of the responsible authorities, compromise efforts to assist a Complainant or to contain, respond to, or otherwise mitigate the emergency. Should an Emergency Notification be issued, the University is not required to issue a Timely Warning based on the same circumstances. UNG will provide follow-up information to the community as needed.

Strategic Communications & Marketing is responsible for issuing information to local media.

PUBLIC CRIME LOG

The Department of Public Safety generates the Public Crime Log daily from reports made to them through their central dispatch office, from Campus Security Authorities, and local law enforcement agencies. Entries are made and updated within 2 business days. The log

records, in the order received, the nature, date, time, general location, and disposition (if known) of reported crimes. Crime logs are publicly available for inspection on the University website, and in person at the Department of Public Safety locations during regular business hours. The Public Crime Log entries are archived from the website monthly, with the most current 60 days publicly available, and retained electronically for seven years. Archived copies will be available for public inspection within two business days of a request.

SECURITY AND ACCESS TO FACILITIES

During business hours, the University is open to students, parents, employees, contractors, guests, and invitees. During non-business hours, access to all University facilities is by key or card access, if issued, or by admittance via the Department of Public Safety personnel after receiving an email requesting admittance. In periods of extended closing, the University will admit only those with prior approval to all facilities. Some facilities may have individual hours, which may vary at different times of the year.

All University residence halls have exterior electronic card key access control systems and camera systems. All University residence halls have interior electronic card key access control systems for entrance into the room, suite, or apartment. Bedrooms inside suites or apartments have traditional lock and key sets. Main entrances have staffed desks for visitors to sign-in under the control of Resident Assistants. Non-cadet residence halls require that the resident check-in their guest and the visitor provide picture ID. Guest information is entered into Microsoft Teams and the picture ID is held until the visitor leaves the facility. Additional non-cadet visitation information may be accessed on the Residence Life website <https://ung.edu/residence-life/>. Corps of Cadets

residence halls (barracks) visitation policies are more restrictive than non-cadet residence halls. Corps of Cadets residence halls main entrances have staffed desks for sign-in under the control of Resident Assistants or Staff Duty Personnel. Non-cadet visitors are permitted only in day rooms, platoon alcoves, media center, computer lab, and kitchen. For additional information about visitation in the Corps of Cadets' residence halls, contact the Assistant Commandant of Cadets at 706-864-1793.

SECURITY & MAINTENANCE OF FACILITIES

UNG values and promotes physical safety and security regarding facilities and surrounding grounds, as reflected in regular assessment and maintenance schedules. UNG also uses an electronic maintenance request system so that anyone may easily report an issue that needs immediate attention, such as burned-out lights, emergency lights not functioning, or a malfunctioning lock. The Department of Public Safety partners with the Facilities team in ongoing assessments, reporting of, and mitigating safety concerns. The Department of Public Safety partners with Facilities when buildings are under design by architectural firms prior to and during construction. If you see a burned-out light or other issue you may report it via our LiveSafe app or by submitting a work request for Facilities.

THE DEPARTMENT OF PUBLIC SAFETY

The Department of Public Safety is a fully certified, state police agency. All officers employed by the University are equivalent to the police or law enforcement officers employed in your hometown. University police officers are authorized to make arrests for violations of state law and local ordinances, obtain and execute search warrants, and enforce traffic laws.

The jurisdiction of the UNG Police, as defined by Georgia law, is public or private property under control of the Board of Regents plus 500 yards. Officers may operate beyond the 500 yards if they are in pursuit of an individual; assistance is requested from a surrounding agency with whom the University has a mutual aid agreement and; or on any campus under the control of the Board of Regents.

UNG's Department of Public Safety has a strong working relationship with the following agencies:

- City of Dahlonega Police Department
- Cumming Police Department
- Fannin County Sheriff's Office
- Forsyth County Sheriff's Office
- Gainesville Police Department
- Hall County Sheriff's Office
- Lumpkin County Sheriff's Office
- City of Oakwood Police Department
- Oconee County Sheriff's Office
- Watkinsville Police Department

Each of the above agencies augments the Department of Public Safety within their jurisdiction during mutual investigations, arrests, and prosecutions.

The Department of Public Safety are fully qualified to adequately and independently investigate incidents and crimes occurring within our Clery Geography across all five campuses. Mutual aid agreements do not specifically provide for the investigation of particular crimes by local law enforcement. In the event a homicide investigation is needed, the Georgia Bureau of Investigation may conduct the investigation. UNG does not have any non-campus properties of officially recognized student organizations.

UNG utilizes Campus Safety Ambassadors on our Dahlonega and Gainesville campuses. Campus Safety Ambassadors are non-sworn personnel who operate under the supervision and guidance of the UNG Department of Public Safety. These individuals patrol campus grounds, provide event security, offer safety escorts, manage traffic flow, provide assistance to motorists, and collaborate with UNG police officers when responding to service calls.

EMERGENCY RESPONSE AND EVACUATION

UNG maintains an Emergency Action Plan and a Confidential Emergency Operations Plan. Each building has evacuation routes posted. Please follow the evacuation route and instructions posted. The Confidential Emergency Operations Plan includes:

- declaration of a campus state of emergency;
- roles & responsibilities in an emergency;
- drills and exercises; and
- mutual aid agreements.

The UNG Department of Public Safety is responsible for maintaining the plan, conducting at least one annual test of the Confidential Emergency Operations Plan, and maintaining detailed documentation of each test. Annual emergency response and evacuation tests may be announced or unannounced. Evacuation training sessions are available throughout each year either scheduled or upon request. The University publicizes information about UNG's Emergency Action Plan (EAP) in conjunction with one annual test and on an ongoing basis throughout the year including through orientation sessions, social media posts, and tests of the emergency notification system. A summary of the EAP can be found on the Department of Public Safety website. <https://ung.edu/public-safety/emergency-preparedness.php>

MISSING STUDENTS

If a member of the University community has reason to believe that a student who resides in university-managed housing is missing, they should immediately notify the Department of Public Safety at 706-864-1500. The Department of Public Safety follows internal operating procedures that are triggered upon notification of a missing person, including notification of law enforcement agencies having jurisdiction over the housing location and distribution of information to multiple external law enforcement agencies and state and federal databases.

When it is determined that a student is missing, the Department of Public Safety will notify the local law enforcement agency within 24 hours. If the student has designated a confidential contact person, the Department of Public Safety will notify them within 24 hours of the determination that the student is missing. In the event the missing student is under 18 years of age, and not emancipated, the University must notify a custodial parent or guardian within 24 hours of the determination that the student is missing, in addition to notifying any additional contact person designated by the student.

Separate confidential contact information is collected for each student at the time of application for student housing. This contact is confidential and may not be disclosed, except to law enforcement personnel in the furtherance of a missing person investigation. This information is only to be used for notification once a residential student has been determined to be missing. When students register their confidential contact they will be advised of how the information will be used.

Residence Life employees receiving a report of a missing student must immediately notify the Department of Public Safety at 706-864-1500.

ALCOHOLIC BEVERAGES & ILLEGAL DRUGS

In the interests of promoting community well-being the University of North Georgia has adopted policies governing the use of alcohol and other drugs on University Premises or at University-sponsored activities. These policies apply to all students, faculty, staff, contractors, vendors, visitors, and guests of the "University Community".

The University, consistent with the federal Drug-Free Schools and Communities Act of 1989, prohibits any illegal use of alcohol or other drugs by University Community members on premises or at sponsored activities. This includes consumption, possession, or transportation of alcoholic beverages by anyone under the Legal Drinking Age (twenty-one in the state of Georgia).

Violators may face institutional disciplinary sanctions and/or criminal action. Rules are enforced by, among other University offices, the Office of Student Integrity, Human Resources, Residence Life, and the Department of Public Safety which may make custodial arrests for alleged violations of criminal law.

The University only authorizes the legal use of alcohol at approved registered events and tailgating. Social events where alcohol will be served by a licensed provider must be registered with the University and are only permitted in spaces designated by the Vice President of Student Engagement & Success. Tailgating with alcohol is permitted only in designated areas in conjunction with scheduled NCAA competitions. Kegs and other common source alcohol is prohibited at registered events and tailgating, in addition to hard liquor and hard liquor products.

The University prohibits the consumption or possession of any alcoholic beverages by students and employees on University Premises or at University-sponsored activities, except at these registered events and tailgating. Also, regardless of location, the University prohibits the illegal possession or use of alcohol or other drugs by students and employees.

For additional information, please see the Alcohol and Other Drugs Policy, the Events with Alcohol Procedures, the Tailgating Policy, the Employee Handbook, and the Student Code of Conduct.

AMNESTY POLICY

A Student may request amnesty from disciplinary action under the University Student Code of Conduct related to alcohol or drug use if they seek medical attention for themselves or others, if they want to report an incident of sexual misconduct, if they provide information otherwise not identified in an investigation, and are forthright and truthful in any conduct investigation.

EDUCATION & PREVENTION PROGRAMMING

UNG encourages members of the University community to help prevent and reduce acts of violence by:

- being vigilant and using safety planning;
- stepping in when they see signs of potential or escalating violence; and
- using one or more of the actions of bystander intervention to step in and distract, direct, or delegate to someone to intervene.

Take steps to reduce risk by drinking responsibly and downloading and using the LiveSafe App, including mobile blue light phones, friend walk, resources, and reporting options.

SECURITY AND SAFETY

UNG offers multiple programs each year that encourage students and employees to be responsible for their own security and safety, as well as that of others. The See Something/Say Something reporting and response program is promoted each semester and presented specifically to new and transfer students during Orientation. Programs offered each semester to students and employees include Stop the Bleed (emergency medical response training for bystanders), C.R.A.S.E (Civilian Response to Active Shooter Events) and CPR and AED (Automated External Defibrillator) Training. Emergency Preparedness Training is provided each semester and when requested. This programming is offered by the Department of Public Safety.

ALCOHOL AND DRUG ABUSE

UNG is committed to fostering a safe and healthy campus environment for all students. As part of this commitment, UNG requires all new, transfer, and dual-enrolled students to complete an online AlcoholEdu program, focusing on alcohol and drug abuse awareness and risk reduction.

Campus Recreation and Wellness organize various events throughout the year held on both the Dahlonega and Gainesville campuses, each tailored to convey specific messages related to alcohol and drug abuse. Additionally, UNG has established a College Prevention Program in collaboration with the Department of Behavioral Health and Developmental Disabilities. This program, led by students, is designed to emphasize alcohol and drug Awareness. UNG also provides annual alcohol educational programming through our Peer Health Educators program, which is funded by the Governor's Office of Highway Safety and Northeast Georgia Health System.

To reach targeted populations, UNG utilizes third-party online program providers, Vector Solutions and 3rd Millennium Online Education. In cases where students face sanctions from Student Conduct, UNG Student Counseling provides BASICS, an alcohol risk reduction program. Dependent upon the offense, students may be assigned online classes utilizing third-party programs. Student Counseling also offers alcohol education workshops on the Cumming, Dahlonega, Gainesville, and Oconee campuses throughout the year while also organizing Drug Take Back Amnesty Days, contributing significantly to the efforts aimed at minimizing the improper use of prescription drugs. UNG employees have access to alcohol and drug concerns counseling and programming through Acentra's Employee Assistance Program.

UNG conducts annual evaluations, as well as a biennial review, of the effectiveness of our alcohol and drug abuse awareness and prevention programs through analytics provided by Vector Solutions and analysis of our Clery crime statistics.

By implementing these comprehensive programs, UNG strives to create a campus culture that prioritizes the well-being of its students and employees while actively addressing the challenges associated with alcohol and drug abuse.

SEXUAL MISCONDUCT

UNG requires all new, transfer, and dual enrolled students and new employees to complete population-specific online Sexual Assault Prevention training, via Vector Solutions. This training is focused on prevention and risk reduction of dating violence, domestic violence, sexual assault, and stalking, while creating a safe environment for those who may have been victims of these crimes. Further, all UNG employees are required to complete sexual harassment training annually through Percipio.

UNG's Title IX Office offers ongoing bystander intervention and sexual misconduct prevention programs to targeted populations. Additionally, the Department of Public Safety actively promotes crime prevention through our See Something/Say Something program and with tabling events on each campus specifically addressing sexual violence awareness. UNG employees have free access to relationship and family problems counseling and programming through Acentra's Employee Assistance Program.

UNG conducts annual evaluations of the effectiveness of our sexual misconduct awareness and prevention programs through the analytics provided by Vector Solutions, our third-party online program provider, and analysis of our Clery crime statistics.

SEXUAL MISCONDUCT

INTRODUCTION

The University of North Georgia is committed to a learning and working environment for all University Community members free from sex-based discrimination. The University Community includes students, faculty, and staff, as well as contractors, vendors, visitors, and guests.

As part of this commitment, the University expressly prohibits sexual misconduct, including dating violence, domestic violence, sexual assault, and stalking consistent with the requirements of Title IX of the Education Amendments of 1972, the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, and University System of Georgia policy. UNG and University System of Georgia policy also prohibits sexual harassment and sexual exploitation.

If you or someone close to you are the victim of sex-based discrimination, know that you are not alone. The information in this report will help you navigate some of what you may be experiencing. No matter what you have experienced or how you are feeling now, it is important to prioritize your safety. You do not have to go through this alone, and this information is intended to help you navigate the process. The University will provide a student or employee who reports they have been the victim of dating violence, domestic violence, sexual assault, or stalking, whether the offense occurred on or off campus, with a written explanation of their rights and options as described in this report.

Sex offenses for the purposes of University policy are any sexual act directed against another person, without the consent of the victim, including instances where the victim is incapable of giving consent.

Rape means the penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim.

Fondling is the touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental incapacity.

Incest is sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.

Statutory Rape is sexual intercourse with a person who is under the statutory age of consent.

Dating Violence means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of such a relationship shall be determined based on a consideration of the following factors: the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship.

Domestic Violence includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against

an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction. It can occur when you are deeply in love with someone or happen on the first date, and it can even occur long after a romantic or sexual relationship has ended.

Stalking means engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for his or her safety or the safety of others or suffer substantial emotional distress. Reasonable person means a reasonable person under similar circumstances and with similar identities to the victim. Substantial emotional distress means significant mental suffering or anguish that may, but does not necessarily, require medical or other professional treatment or counseling.

REPORTING SEXUAL MISCONDUCT

Reports of sexual misconduct should be made to the Title IX Coordinator by phone at: **706-867-4560**, email at: **TitleIX@ung.edu**, online at <https://ung.edu/title-ix> or in person at: Room 111, Downtown Office Building, 60 West Main Street, Dahlonega, GA 30597. The Title IX Coordinator is responsible for providing Parties with supportive and protective measures, advice regarding rights and responsibilities, as well as options for pursuing disciplinary proceedings. Reports made to the Title IX Coordinator will not automatically initiate a law enforcement investigation.

Students and employees have the option to notify law enforcement authorities, including University and local law enforcement, with jurisdiction where any crime occurred. The Title IX Coordinator will assist Parties in making reports to law enforcement if the Complainant so chooses. Parties also have the option to decline to notify law enforcement authorities.

Additionally, reports of sexual misconduct can be made to the following departments:

- *Student Counseling Services*

UNDERSTANDING TRAUMA

The trauma of sexual misconduct can have profound effects on the brain and body. This may look like problematic emotional, behavioral, and cognitive responses, as well as potential bodily complaints. Some of the common emotional responses to trauma include anxiety, shame, depression, grief, guilt, and anger. Changes in behavior are often the most obvious responses to sexual violence.

Although these behaviors may seem extreme or may even be harmful, they often make sense in the context of a traumatic experience. Some typical behavioral responses to violence may be hypervigilance, avoidance, isolation, sleep changes, changes in eating habits, self-injury, or substance abuse.

Trauma can even change the way you think and how you view the world. Some of these responses may include shock, disbelief, feelings of stigma, disturbances in memory, difficulty concentrating, or intrusive thoughts. If you identify with some of these reactions, you may find therapy or counseling beneficial. Also, we can assist you by providing supportive measures as explained in more detail below.

No matter what you have experienced or how you are feeling now, it is important to prioritize your safety. What happened to you is not your fault. Everything you did helped you to survive. Consider talking to someone you trust or reaching out for help. You do not have to go through this alone.

PRESERVING EVIDENCE

If you are a victim of sexual assault, domestic violence, dating violence, or stalking, it can be helpful to preserve evidence that may be useful in documenting the criminal activity. To preserve evidence, refrain from:

- bathing;
- douching;
- smoking;
- changing clothes, and
- cleaning the linens/area where an assault occurred.

If you have changed clothes or linens, do not wash them until you have met with a law enforcement agency and/or health care provider. Seeking medical care does not mean you must report to law enforcement, so be sure to prioritize your health and safety when making decisions.

Rape Response Inc., located in Gainesville Georgia, can complete a forensic examination for collecting evidence that helps preserve your options should you choose to notify law enforcement. Individuals can call the Rape Response crisis line to talk with an advocate

and schedule an exam at 770-503-7273. In addition, UNG's Victims Advocate can assist with scheduling this exam and provide other resources by calling 706-867-3193. Photos, text messages, social media posts, instant messages, and any other communications or documents may provide information useful for university hearings or investigations, so save those, too.

ORDERS OF PROTECTION

UNG follows Georgia law in recognizing and enforcing orders of protection, including, but not limited to restraining orders, temporary protective orders, and stalking orders issued in Georgia or any other state, with the understanding that orders from other states are subject to laws in the issuing state. Anyone having an order of protection should submit the order to the Department of Public Safety.

The Department of Public Safety keeps the order on file for easy access in the event a violation occurs. The Department of Public Safety has the authority to arrest and charge any individual in violation of the order.

NO CONTACT ORDER

The Title IX Coordinator is responsible for administering interim measures, which may include no contact orders, on campus. A no contact order restricts contact between Parties and may prohibit verbal, digital, and physical presence, extending into the classroom and residence halls.

CONFIDENTIALITY OF COMPLAINANT

UNG strictly protects Complainant confidentiality to the highest degree possible. UNG does not make assumptions as to whether it is safe to disclose information to family, friends, employer, or news media about the assault or the Complainant's sexual preference. Such information is protected with the least level of access under UNG's Data Governance

and Access Policy. All publicly available records, including Clery Act reporting and disclosures, exclude personally identifying information about Complainants. If the Complainant reports to the Department of Public Safety, that information is subject to the Georgia Open Records Act and confidentiality cannot be guaranteed in that situation.

SUPPORTIVE MEASURES

If you have reported being the victim of sexual misconduct, the University offers confidential options to ensure your continued safety and equal access to educational opportunities. These services are available regardless of whether the Complainant chooses to report the crime to UNG police or local law enforcement.

Supportive measures are non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without charge that is made available to the Complainant and Respondent before or after the filing of a complaint or where no complaint has been filed. Information regarding support services will be provided to the Complainant and Respondent upon the Title IX Coordinator's initial communication to the party. Supportive measures include counseling, advocacy, housing assistance, academic support, disability services, health and mental services, changing workplace arrangements, and other services. Immigration and visa assistance can be obtained by contacting the Center for Global Engagement. The Financial Aid Office can assist with financial aid questions. The University will maintain as confidential any supportive measures provided to the Complainant, to the extent that maintaining such confidentiality would not impair the ability of the University to provide the supportive measures.

Available support services, including both on- and off-campus options, are listed on the University's website at <https://ung.edu/title-ix>. In addition, a Survivor's Brochure will be provided to any victim of sexual misconduct.

The University Department of Public Safety employees a full-time victims advocate who can assist Students, Employees, and University Community Members with navigating University resources and systems, as well as identifying resources and options for reporting crimes, seeking medical attention, and/or obtaining additional support services.

INTERIM PROTECTIVE MEASURES

Interim protective measures may be implemented at any point after the University becomes aware of an allegation of Sexual Misconduct to protect the Complainant and the University community. Such measures are designed to restore or preserve equal access to the education program or activity without unreasonable burden, including measures designed to protect the safety of all Parties or the campus community or deter Sexual Misconduct and retaliation. Interim measures must be provided, consistent with the provisions in applicable Board and University policies and procedures.

Interim measures may include but are not limited to a change of housing assignment; issuance of a no-contact order; restrictions or bars to entering certain University property; changes to academic or employment arrangements, schedules, or supervision; emergency removal; administrative leave; and other measures designed to promote the safety and well-being of the Parties and the University's community. The Department of Public Safety can issue no trespass orders against third parties.

No officer, employee or agent of the University of North Georgia may retaliate, intimidate, threaten, coerce, or otherwise discriminate against any individual for exercising their rights or responsibilities under any provision of the Clery Act. Violation of this provision is subject to the disciplinary process of Human Resources or Student Integrity.

DISCIPLINARY PROCEEDINGS

The University processes complaints against Respondents using the Sexual Misconduct Policy and the Sexual Misconduct Procedures. Pursuant to U.S. Department of Education regulations, effective August 14, 2020, implementing Title IX of the Education Amendments of 1972 (Title IX) which govern the handling of complaints of sexual harassment, as defined by the U.S. Department of Education, the University provides specialized handling of these matters as explained by this statement of policy.

Officials responsible for the resolution process receive annual training on issues related to dating violence, domestic violence, sexual assault, and stalking, how to conduct an investigation, and how to conduct a hearing that protects the safety of victims and promotes accountability.

All University disciplinary proceedings involving reports of dating violence, domestic violence, sexual assault, stalking, sexual harassment, and sexual exploitation shall be conducted in a prompt, fair, and impartial manner, from the initial investigation through resolution.

Efforts will be made to complete the investigation and resolution within 120 business days. Prompt scheduling and timely notice will be given for all meetings. The University may grant temporary delays and

limited extensions for good cause throughout the investigation and resolution process. The Parties will promptly and simultaneously be informed in writing of any extension or delay and the applicable reason. The University shall keep the Parties informed of the status of the investigation.

The Title IX Coordinator will provide Parties with timely notice of meetings at which the Complainant, Respondent, or both may be present. Parties are entitled to have an advisor of their choosing present at all meetings and interviews. At the time of the notice of allegation, the parties are provided a copy of the policies and grievance procedures in effect at the time of the alleged misconduct.

ADVISORS

Both the Complainant and the Respondent, as Parties to the matter, shall have the opportunity to use an advisor (who may or may not be an attorney) of the party's choosing and at the Party's expense. The advisor may accompany the party to all meetings and may provide advice and counsel to their respective party throughout the sexual misconduct process. In Title IX cases, advisors conduct cross-examination during hearings.

All communication during the sexual misconduct process will be between the University and the Party and not the advisor. The University will copy the Party's advisors prior to the finalization of the investigation report when the University provides the Parties the right to inspect and review directly related information gathered during the investigation. With the party's permission, the advisor may be copied on all communications.

SEXUAL MISCONDUCT GRIEVANCE PROCEEDINGS

The University uses different types of proceedings when a student is accused and when an employee is accused. Federal 2020 Title IX regulations mandate specific processes for “Title IX Sexual Misconduct” cases, which differ from those for “Non-Title IX Sexual Misconduct.” Both types encompass VAWA Offenses and other forms of sex discrimination and harassment.

“Title IX Sexual Misconduct” matters are when the alleged misconduct occurs against a person in the United States on institution property, or at institution-sponsored or affiliated events where the institution exercises substantial control over both the Respondent and the context, or in buildings owned or controlled by a student organization that is officially recognized by the institution.

“Non-Title IX Sexual Misconduct” matters are when the alleged misconduct occurs off-campus and or when the Complainant is not participating in or attempting to participate in the education program or activity of the institution occurring within the United States at the time of the filing, and when prohibited by other Board or institution conduct policies.

In Title IX cases, a Formal Complaint, which is a written document filed by the complainant or signed by the Coordinator, is required. This complaint must allege sexual harassment as defined by Title IX and request an investigation. The complainant must be participating in or attempting to participate in the institution’s educational programs or activities in the United States at the time of filing.

The Title IX Coordinator decides the appropriate proceeding or dismissal of a complaint, notifying the parties via their institutional

emails. If dismissed, the notice will include the reason and information about the right to appeal. If the case proceeds, an investigator will be assigned, and their identity will be shared with the parties.

Under Title IX, sexual harassment means conduct on the basis of sex that satisfies one or more of the following: (1) An Employee conditioning the provision of aid, benefit, or service of the University on an individual’s participation in unwelcome sexual conduct; (2) Unwelcome conduct determined by a Reasonable Person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the University’s education program or activity; or (3) “Sexual Assault” as defined by the Clery Act, and “Dating Violence,” “Domestic Violence,” and “Stalking” as defined by the Violence Against Women Act amendments to the Clery Act.

The University of North Georgia uses sexual misconduct as a broad term encompassing Title IX sexual harassment and other sexual misconduct that does not fall under the Title IX sexual harassment regulations. The behaviors that are prohibited by the Sexual Misconduct Policy are sexual harassment, nonconsensual sexual contact, nonconsensual sexual penetration, dating violence, domestic violence, stalking, and sexual exploitation.

Through the Sexual Misconduct Grievance Procedures, UNG addresses behavior affecting its students and employees inside and outside Title IX’s jurisdiction.

When the Title IX Coordinator has determined a complaint meets the Title IX definition of “sexual harassment,” federal regulations require the University to apply specialized handling of these matters that may differ from the handling of other Sexual Misconduct.

In Title IX cases where the Respondent is an employee and the Complainant is a student, alternative/informal resolutions are not permitted, and a formal investigation is required.

ALTERNATIVE/INFORMAL RESOLUTION

The Respondent and the Complainant, as Parties to the matter, may have the option of selecting an alternative/informal resolution as a possible resolution in certain cases where the Parties agree and it is deemed appropriate by the University.

The Respondent and Complainant have the option to end formal resolution discussions and request the alternative/informal resolution process at any time before the terms of an alternative/informal resolution are reached. However, matters resolved alternatively/informally shall not be appealable.

INVESTIGATION

Any report that involves allegation(s) of Sexual Misconduct that could lead to the suspension, expulsion, or termination of the Respondent(s) in an initial violation must be promptly reported to the University System of Georgia System Director for Equity and Investigations. Upon receipt of the notice of allegations, the Respondent will have three (3) business days to respond in writing. In that response, the Respondent will have the right to accept or deny responsibility or request an alternative/informal resolution. The Respondent may also set forth a defense with facts, witnesses, and supporting materials. A non-response will be considered a general denial of the allegations. The notice of allegations and the response from the Respondent be sent to the Complainant for review and will have three (3) business days to respond to or supplement the notice.

The Respondent has the right to remain silent during the grievance process without

an adverse inference. If the Respondent chooses to remain silent, the investigation may proceed, and policy violation charges may still result, which may be resolved against the Respondent.

If the Respondent accepts responsibility, the process may proceed to the sanctioning phase or be alternatively/informally resolved. If the Respondent denies responsibility or an alternative/informal resolution is unsuccessful, the Title IX Coordinator will provide both Parties with a notice of investigation, and the case will be promptly assigned to Investigator(s). The Complainant, Respondent, and witnesses will have the right to present evidence, including documents and witness names.

The Investigator(s) shall conduct a prompt, thorough, and equitable investigation. The Investigator(s) shall (1) analyze all relevant evidence and conduct thorough individual interviews with the Complainant, Respondent, and any witnesses; (2) determine the weight of the evidence and whether it is necessary or appropriate to talk to all potential witnesses identified. If a witness is not interviewed, the Investigator(s) will provide their rationale in the report; (3) assess the credibility of the Parties and witnesses and the strength of the evidence; (4) not access, consider, disclose, or otherwise use a Party's records made or maintained by a physician, psychiatrist, psychologist, or other recognized professional in connection with the Party's treatment unless the Party has provided voluntary written consent. This also applies to information protected by recognized legal privilege; and (5) use the documented evidence to prepare a draft investigation report, including summaries of statements from the Parties and witnesses,

relevant evidence collected, and a list of considerations for the Hearing Panelists.

The initial investigation report shall be provided to the Complainant, the Respondent, and a Party's Advisor (if applicable). This report summarizes the relevant evidence gathered during the investigation. For purposes of this Policy, a charge is not a finding of responsibility. The Complainant and the Respondent shall have ten (10) calendar days to review and respond in writing to the initial investigation report and directly related information gathered during the investigation.

The Investigator(s) will review the Complainant's and the Respondent's written responses, if any, to determine whether further investigation or changes to the investigation report are necessary. At the expiration of each Party's period to provide feedback, the Title IX Coordinator shall allow the Complainant and the Respondent to determine if they want to enter into an alternative/informal resolution or the formal resolution process by requesting a Hearing Panel.

HEARING

A hearing shall be set when a matter is not resolved through an alternative/informal resolution. The Hearing Panel is a collection of three (3) to five (5) Hearing Panelists charged with determining whether a violation of the Sexual Misconduct Policy has occurred. They also determine sanctions to impose for Students and recommend for Employees.

In no case shall a hearing to resolve Sexual Misconduct allegation occur before the investigation report is finalized. The hearing letter, including the final investigation report, will be provided to the Complainant, the Respondent, and the Party's advisor at least

ten (10) calendar days before the hearing. For hearings involving a faculty member Respondent, the hearing letter will be provided at least twenty (20) calendar days before the hearing. Both Parties are provided an equal opportunity to review evidence prior to the completion of an investigation, and all relevant evidence will be available at any hearing for the Parties and their Advisors to refer to. Any official involved in an informal resolution, hearing, or appeal will receive the same access to evidence as the Parties.

The Investigator(s) may testify as a witness regarding the investigation and findings but shall otherwise have no part in the hearing process and shall not attempt to otherwise influence the proceedings outside of providing testimony during the hearing.

The Hearing will adhere to the Sexual Misconduct Policy and the Sexual Misconduct Grievance Procedures.

Preponderance of the Evidence is the standard of review for all allegations of violations of the Sexual Misconduct Policy. This standard requires that the evidence shows that it is more likely than not that the alleged incident, act, or behavior did occur. Formal judicial rules of evidence do not apply to the investigation process.

Following a hearing, the Complainant and Respondent shall simultaneously be provided a written decision via email of the hearing outcome and any resulting imposed or recommended sanction(s). The decision must include the allegations, procedural steps taken through the investigation and resolution process, finding(s) regarding responsibility, facts supporting the finding(s), and the evidence relied upon and rationale for any imposed or recommended sanction(s).

The University shall also notify the Parties of their right to appeal, as outlined within these procedures.

If the Respondent is a faculty member and the Hearing Panel recommends termination (dismissal), the President will be informed of the recommendation in cases where there was no appeal or where the appellate officer upheld the recommendation. If the President approves the recommendation of termination (dismissal), it will be the University's final decision. If the President does not approve the recommendation, they will provide their reasons in writing. The Title IX Coordinator will then relay the President's decision to the Hearing Panel for feedback. At that point, if the President still does not approve termination (dismissal) the Hearing Panel will reconvene to recommend alternative sanctions.

APPEALS

The Parties have the right to appeal the Hearing Panel's finding of responsible or not responsible, sanctions imposed on Students, and sanctions recommended for Employees. An appeal must be submitted in writing and within five (5) business days of the date of notification of the findings of the Hearing Panel. If an appeal is submitted, the other Party shall receive notice of the appeal, including a copy of the submission. That Party may submit, in writing and within five (5) business days from the date of notification, a response to the appeal submission. A decision on an appeal may only be rendered once the filing deadline has passed, including the deadline for the other Party to respond to the appeal submission.

Appeals shall be made and considered for the following situations only. The Party must address one of the following in their letter requesting an appeal (1) A procedural irregularity that affected the outcome of the matter; (2) New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal

was made, that could affect the outcome of the matter; (3) The Title IX Coordinator, Investigator(s), Hearing Panelist(s), Chair, or any individual involved in the grievance process had a conflict of interest or bias for or against the Complainant or Respondent generally or individually that affected the outcome of the matter; or (4) The finding of responsible or not responsible and/or the imposed or recommended sanction(s) was inconsistent with the weight of the information.

Appellate decisions should be rendered, and proper written notification should be provided to the Title IX Coordinator no later than seven (7) days after the other Party's deadline to respond to the appeal. Both Parties will be notified in writing simultaneously of any change in results, and when such results become final. Should either Party want to appeal the final University decision, they may request a review by the Board of Regents in accordance with the Board of Regents Policy on Discretionary Review. Appeals received after the designated deadlines above will only be considered if the University or Board of Regents has granted an extension before the deadline. If an appeal is not received by the deadline, the final decision will become final. For additional information about the Board of Regents Policy on Discretionary Review please visit: <https://www.usg.edu/policymanual/section6/C2714/>.

Sanctions for students will be imposed by the hearing panel and enforced by the Office of Student Integrity. Sanctions for employees will be imposed and enforced by Human Resources.

CHALLENGE FOR BIAS

Any Party may challenge the Investigator(s) on the grounds of conflict of interest or personal bias by submitting a written statement to the Title IX Coordinator setting forth the basis for the challenge.

Any Party may challenge a Hearing Panelist or Chair on the grounds of conflict of interest or bias by submitting a written statement setting forth the basis for the challenge. For hearings involving a faculty member Respondent, each Party may challenge a maximum of two (2) Hearing Panelists without specifying grounds for the challenge(s). The written challenge must be submitted at least five (5) business days before the hearing. The Title IX Coordinator will determine whether to sustain or deny the challenge and, if sustained (automatically sustained in faculty Respondent hearings), appoint a replacement.

POSSIBLE SANCTIONS

The following are possible disciplinary sanctions that may be imposed for students or employees when a Respondent is found responsible for violating the Sexual Misconduct Policy.

- Expulsion or Termination (Dismissal): Permanent, forced withdrawal from the University constitutes the maximum disciplinary penalty. Although it may be imposed on the first offense, it is usually administered after other methods of discipline have been exhausted.
- Suspension/Administrative Leave: Forced withdrawal from the University for a specified time which includes not being able to be on campus. Only the Title IX Coordinator or their designee (Human Resources in the case of Employees) may grant permission to visit campus. Administrative Leave, for employees, may be unpaid.

- Probation: Notice that any further conduct violation may result in suspension, administrative leave, expulsion, or termination. Conduct Probation might also include one or more of the following: setting restrictions, issuing a reprimand, or restitution.
- Reprimand: A designated individual (e.g., Title IX Coordinator, Human Resources, supervisor, etc.) to issue an oral or written statement expressing disapproval of behavior.
- Coaching/Educational Conversation: A meeting to discuss the behavior, the impact on others, and the ramifications. The discussion will also include how to avoid similar conduct in the future.
- Restrictions: Excluding or limiting participation in University activities, committees, groups, organizations, etc. Excluding or restricting rights such as residence hall visitation, driving or parking on campus, access to University facilities, etc.
- Restitution: Reimbursement for damages to or loss of property.
- Educational: Work or service assignments or other related educational activity.
- Temporary or Permanent separation of the Parties (e.g., change in classes, reassignment of residence, no contact orders, limiting geography of where Parties can go on campus, etc.
- Academic penalty: Removal from a course (within which the offense occurred), removal from an academic program or experience, or removal or banning from participation in academic activities such as study abroad. An academic penalty requires approval by the Provost or their designee.

RECORDKEEPING

As required by the federal Clery Act, the University of North Georgia retains for at least seven (7) years all records documenting reports of Clery crimes made to the University of North Georgia Police, other Campus Security Authorities, and local law enforcement. This will include the timely warning determination for each report, and if a timely warning was made a copy of that warning. Also retained are records of all crime prevention and educational programming offered, including but not limited to security procedures, alcohol and other drugs, and sexual violence, across the institution.

The University of North Georgia Police Department retains all entries made in the daily crime and fire log for at least seven (7) years. Copies of these archived entries will be made available for public inspection within two business days of a request.

For a period of seven (7) years, the University will maintain records of:

- Each investigation conducted involving reported sexual misconduct, including any determination regarding responsibility and any audio or audio-visual recording or transcript, any disciplinary sanctions imposed on the Respondent, and any remedies provided to the Complainant designed to restore or preserve equal access to University programs or activities;
- Any appeal and the result therefrom;
- Any informal resolution and the result therefrom; and
- Any supportive measures or actions taken in response to a report or formal complaint under this policy and the rationale for the measure/response.

**ANNUAL
FIRE SAFETY
REPORT 2023**

FIRE SAFETY DISCLOSURE FOR ON-CAMPUS STUDENT HOUSING AT UNG'S DAHLONEGA CAMPUS

REPORTING A FIRE

If a resident discovers a fire, they should activate the fire alarm system by pulling one of the pull stations while evacuating and should immediately report it to the Department of Public Safety by calling 706-864-1500. All incidents of unintentional/non-control burn fires should be reported to the Department of Public Safety who will immediately determine whether Fire Department response is required.

RESIDENCE HALL EVACUATION PROCEDURES

All residents are required to evacuate the residence hall if a fire alarm sounds. Failure to evacuate may result in disciplinary action. Residents are to use the nearest exit to evacuate. Evacuation procedures are posted on the door of each apartment, suite or room. Additional evacuation information may be found in the UNG Emergency Action Plan located here: <https://ung.edu/public-safety/emergency-preparedness.php>

FIRE SAFETY EDUCATION AND TRAINING PROGRAMMING

Each Dahlonega Campus residence hall holds a mandatory hall meeting within the first two days of each semester where the protocol for fire evacuation is covered. All Residence Life Staff members receive fire safety training during fall staff training.

MANDATORY SUPERVISED FIRE DRILLS

For all Dahlonega Campus residence halls, Residence Life requires that each residence hall have at least one fire drill during fall semester and spring semester. Each of these

are supervised and timed. It is required that Public Safety be notified prior to these drills. During 2023, there were 20 drills conducted. There are two facilities that are not traditional residence halls consisting of three apartments at 156 S. Chestatee Street and a three-bedroom house at 909 Morrison Moore Parkway. Neither of these facilities were used as residence halls in 2023. These two facilities do not have Residence Life support and do not have mandatory supervised fire drills.

USE OF ELECTRICAL APPLIANCES, OPEN FLAMES, SMOKING

Residents in traditional residence halls are not permitted to have any appliance with open flame or exposed heating element in any residence hall. Smoking is not permitted in or around any building on campus per state and campus registration.

FUTURE IMPROVEMENTS IN FIRE SAFETY

The Department of Public Safety Communication Center will directly monitor all fire alarm systems of the traditional residence halls.

DAHLONEGA CAMPUS

The fire alarms in all UNG Dahlonega residence halls are monitored on-site by the UNG Department of Public Safety Communications Center.
