

# Connecting Polycom System To Zoom Meetings

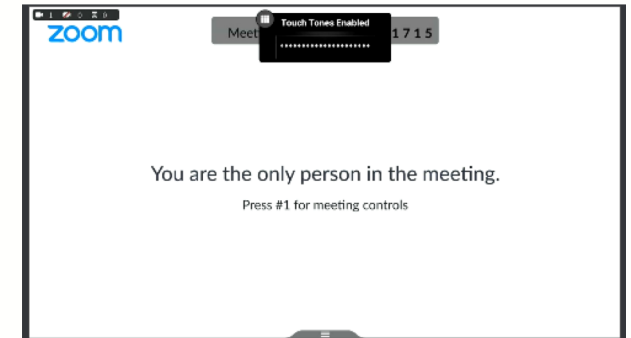

**Step 1:** Using the directional pad on the Polycom remote, navigate to the “Zoom US East” entry at the top of the screen and press select

**Step 2:** When prompted to enter your meeting ID, press # to enable touch tones and the enter your meeting ID using the number pad and press #

If you are the first to connect to your meeting, you will see this screen until other participants join the meeting.

You will only see the video feed of the participants that have their webcams turned on.

Technical Assistance,  
please contact the  
UNG IT Service Desk

Phone: 706-864-1922

“If you need this document in an alternate format for accessibility purposes (e.g. Braille, large print, audio, etc.), please contact University Events at [universityevents@ung.edu](mailto:universityevents@ung.edu).”

**Step 3:** Enter your meeting passcode and then press #

**Polycom Systems are not  
able to connect to  
Microsoft Teams Meetings**
