SECTION ONE

Please answer the following questions briefly:

1. What are the concepts or basic themes of your B.F.A Capstone Exhibition? Please include an image of a prototype that demonstrates your intent. (This prototype may have been created in a course or created just for this proposal.)
2. How do your visual solutions and techniques best communicate your concept?
3. What are the sources of your imagery? What artists/movements/events have shaped your aesthetic? (Images should be pasted in the comments or added as additional pages)
4. What is the scale of your work, how many works do you intend to create, and how will you present/install the work? Please note: You may begin your Capstone work in the semester before Capstone, but the majority of your exhibition work must be created during the Capstone semester under the guidance of your Capstone Professor and Mentor.
5. Who is your target audience?

SECTION TWO

1. Estimate the materials needed and costs for your exhibition.
2. Timeline. Please include a weekly timeline for executing your project.
